Attendance

If your child is not able to come to school, please telephone the school office on 01772 729337. The members of staff will ask you for a reason for the absence. Please be specific and give details instead of just saying your child is sick. This will enable our staff to advise you further about when your child can return to school.

Please can all routine doctors, dentist and optician appointments be made out of school hours. Children should not be missing school. Appointments can be made after school, on the weekends and in the school holidays. You will need an appointment card if you state your child has an appointment and need to take them out of school.

Finally, just a reminder that school starts at 8:50am. Gates open at 8:30am and doors open at 8:40am. **Gates are locked at 8:50am as all children should be in class by this time, ready to learn.**

Key Stage 1

We would like to invite Key Stage 1 parents to come into school and share a book with your child in their learning environment. Please keep checking classDojo for the dates for your child, and come to school at 2:40pm on that day. The first 3 dates are;-

Wednesday 18th January – Hazel Class

Thursday 26th January – Rowan Class

Wednesday 1st February – Willow Class

More dates to follow....

NSPCC Number Day

Friday 3rd February is NSPCC Number Day, when we will be encouraging children to practice their times tables. On this day, we will also be encouraging children to come to school dressed as digits. This could be as simple as wearing a t-shirt with numbers on it or could be more elaborate. Children could get creative and design a unique t-shirt, hat or even become a human-sized calculator or dice.

There are some examples below to help with ideas!
