

Maths

Complete the maths worksheet provided on Class Dojo.

You also need to continue practising your times tables every week! Later this school year, all Year 4 children will take part in the national multiplication check so regular practice is essential.

You could make your own board game or snap cards and play on TT Rockstars.

History

Use natural materials to create a picture of the Stone Age.

Create types of paint by crushing berries, grass, leaves and other natural materials. Use the paint to make a picture.

Reading

Read the book you bring home from school **at least three times a week**. Write a book review about your book. Ask your teacher for a sheet to do this.

Maple Class

Home learning Grid - Autumn 1

When you complete an activity, upload a picture onto Class Dojo or bring it into class.

You can do the activities in any order.

This is due in by **Friday 18th October 2024**

All resources will be uploaded on to Class Dojo, if you require paper copies please let your class teacher know.

Art

In Art we will be investigating 3D sculptures. Make a sculpture of something or someone important to you. You can use paper, as we will be doing in class, or you can use any items you may have at home (plastic bottles, newspaper, toilet roll tubes, cardboard boxes etc)

Spellings

Use spelling frame to learn your spellings.
How many points can you earn?

Science

Our science topic is Electricity. What household appliances do you have that run on electricity? Are these run using mains electricity or batteries?

Make a table and record the items in the correct column:

Mains electricity	Batteries

PSHE

As part of our PSHE topic we will be identifying our own strengths and skills. Interview your family and friends to find out what they think you are really good at and why and make a list to bring into school.
