

## Oak Class Home Learning Summer 1

Reading is an invaluable skill to continue to nurture and encourage. Try and read a variety of books including non-fiction, fiction, comics, magazines, newspapers. Once you have read one of these, could you create a review we could display in class.

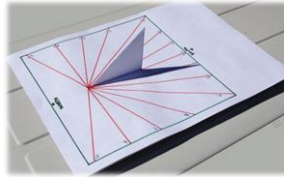

In English, we will be looking at a range of writing genres.

Using the image below, can you create your own story. Using the different skills, we will and have looked at in class.

In science, we are looking at light and astronomy. Our key question is does light bend. Could you create your own model to show how light travels.

We will also be looking at how shadows are formed. Could you create your own sundials?

Spellings.

Please use Spelling Frame to practise your spellings. There are great games to explore!

Don't forget to practise previous spelling rules as well as new spellings to ensure you are SATs ready.

In History, we will be exploring The Maya.

Can you design and create your own Maya mask. Research the history of the masks and why they were used in Maya culture.

In art, we will be looking at textiles focusing on creating a Maya headdress.

To link with this, could you create your own Maya jewellery.

You could use salt dough –

- 250g plain flour
- 125g table salt
- 125ml water
- 1. Preheat the oven to 50C or its lowest setting and line a baking sheet with baking parchment.
- 2. Mix the flour and salt in a large bowl. Add the water and stir until it comes together into a ball. You can finish bringing it together with your hands if needed.
- 3. Transfer the dough to a floured work surface and shape into your chosen model.

With a focus on mindfulness and well-being, try some of these activities:

- Create your own mindfulness colouring sheet – creating different patterns.
- Listen to some music, share this with a friend or family member.
- Create your own positivity jar with positive quotes to start the day.
- Create a diary to reflect on the positives within the day.
- With the weather improving, sit outside and read a book.
- Create a new game to play outside with friends.

In maths, we will be focusing on arithmetic questions weekly.

You also need to make sure you are practising your times tables weekly. Please by logging on to TT Rockstars at least three times a week.

Can you create a new and interesting way of remembering your times tables. Could you create a song or a game and share it with the class.

Please make sure you go on TT Rockstars and practise your times tables regularly.

Make sure you bring your book in daily to school and are reading regularly at home. This will help with your writing 😊
