

Summer 1 Nursery Home Learning

Communication & Language

Go outside and play games such as 'I Spy' and 'I Hear'.

Go outside and look at the different things you can see. Collect some different flowers or leaves. Can you sort them into different colours?

Use your voice to make different sounds. Can you make sounds like a dog or a car?

Talk about your favourite vegetables. Why do you like them? Tell someone about the vegetables you don't like, why don't you like them? Try a vegetable you've never tasted before, tell someone about it. Do you like it?

Literacy

Read the Gruffalo by Julia Donaldson and Oliver's Vegetables by Vivian French. Talk about what happens in the story. Have you eaten any of the vegetables in the story Oliver's Vegetables?

Can you find any words that rhyme in the Gruffalo story? Are there any different words that you can think of that rhyme with the words in the story?

Come Outside

Writing-

Practise writing/mark making your name in some mud or sand.

Draw a picture of a chick and practice writing the initial sound 'c'.

Expressive Art and Design

Think about one of the animals in the Gruffalo story and draw a picture of them.

Make a picture using vegetables – you could use the vegetables to print your picture.

Maths-

Have a look at any vegetables that you have at home. How many different vegetables do you have?

Can you count the number of vegetables you have?

Which vegetable is the heaviest? Which vegetable is the lightest?

Can you make a repeating pattern with the vegetables?

Roll a dice and see if you can count to the number shown.

Roll a dice, identify the number then find the correct number of objects.

Phonics Listening – listen to some music at home, can you clap along with the beat.

Make your own noisemakers – collect some different objects together that make different noises and put them in a bag or a box. Use one of the objects to make a noise for someone else to guess what it is.

Please try and have a go at all the activities and share your child's home learning with us on Class Dojo. Thanks for all your support.
