

CREATIVE WRITING:

Complete one of our weekly writing challenges. These will be sent home each week. All you need is a pencil as we'll send out the paper!

KS1

Home Learning Grid Summer 2

When you complete a challenge, upload a picture to class dojo or bring in your work.

This work can be done in any order and should be completed by Thursday 17th July.

MATHS:

Practise your maths skills using Hit the Button. Y1 should practise addition and subtraction while Y2 should practise their multiplication and division skills.

Send in a picture of you completing this work.

SCIENCE:

Grow some flowers at home. Send in photos of them growing each week.

DT:

Make your own healthy salad. What items will you put in it and why? Send in a photo.

FRIDGE WORD CHAMPIONS:

Read and learn the definitions for as many of our fridge words as you can. Share your knowledge in class and claim a fridge word certificate!

Remember that each week you need to read for 5 minutes each day and practise your spellings.

HEALTHY LIVING:

Practise your running, jumping and throwing skills ready for our Sports Day. Send in a video through Dojo of you practising these skills.
