

Summer 2– Willow Class

Class routines:

Welcome to Summer 2.

Reading books

Please listen to your child read every night and sign their reading log and initial their 100-club grid. Please bring reading books into school everyday. Reading books will be changed on a Tuesday and sent home on a Wednesday.

Homework

Please complete at least one homework challenge each week. Work can be sent via class dojo or handed in on paper. Certificates will be given for children who complete all tasks.

Spellings

These will be given out on a Friday via class dojo and tested the following Friday. Please make sure you practice these words at home.

English:

Our main text this half term is Beauty and the Beast. We will identify and describe characters within the text and write character descriptions. We will sequence the main events within the story and write setting descriptions. Our writing stamina has increased so we will have one last push to remember capital letters at the start of every new sentence and full stops!

Geography:

In Geography we will be learning about the countries that make up the United Kingdom. We will be locating their capital cities and matching the flags to each country. We will locate and name the seas that surround the UK before moving onto learning the names of the oceans and continents in the world.

Mathematics:

We will learn all about the composition of numbers to twenty. We will learn to partition them into tens and ones and learn number bonds to twenty! We will also learn about counting in twos, fives and tens.

PE:

Our PE day will continue to be on a Wednesday. This half term it will be athletics where we learn the skills we will need for our sports day activities.

Willow Class Teaching Team

Mrs Lindley and Miss Patel

D.T.

Our focus will be Food Technology. We will identify and name different fruit and vegetables before describing and tasting some. We will learn how to prepare food by learning how to grate, slice and peel fruit and vegetables. To conclude we will plan a fruit salad.

Computing:

This half term we will be learning about coding. We will learn about new functions we can add to our programs such as timers, buttons and collision events.

Music:

This half-term we will continue to practice and learn a chant about football and will learn to create a simple ostinato.

Science:

In Science we will be finding out what happens to plants in Spring and Summer. We will plant sunflower seeds and observe them over time. We will visit the outdoor classroom and compare what we observe to the other times we have visited this year.

Religious Education:

This half term we are focusing upon the religion of Christianity. We will explore infant baptism and how Christians feel they belong to the Church family through it.
