

Year 6 Curriculum Information

Oak Class Summer 2 2025

ENGLISH

In English lessons this half-term, we will continue looking at different genres of writing and focusing on the grammatical features that are included in each type. Children will then write their own versions using the features they have learnt.

We will also be reading and practising the lines to our end of year leavers' performance, 'Pirates of the Curry Bean'.

MATHS

We will be spending the final term revising and recapping learning tailored to the needs of the children. It may be topics that in-class assessments show children need more work on, or areas where children would like more practice so that they are fully confident. We will be ensuring that children are confident in the calculation methods that they will be expected to use in high school.

We will also be doing some project work around spirals in nature and maths.

CURRICULUM

Geography – Our Key Learning Question this term is: Is there enough for everyone?

We will be looking at the distribution of natural resources, and how trade links are used.

PE – PE this term will be athletics and will take place on Monday afternoons.

R.E – We will continue to look at the overarching question of the year: In what ways is life like a journey? This term, the children will be looking at Islam and specifically, *Why is the Qur'an so important to Muslims?*

Science – In Science this half-term, the children will be looking at electricity. They will be focusing on making different circuits with varying components and recording their observations. The Key Learning Question is: Can a circuit contain more than one component?

Computing – Children will be delving into the world of coding which they will use to create their own game before moving on to creating a program using different features for a set purpose.

HOME LEARNING

It is really important that children read regularly at home. Although children must read their school reading book, they are also encouraged to read for pleasure by choosing books that are of interest to them. This can include non-fiction books, magazines, comics and newspapers as well as fictional stories.

A link to the homework for the term will be put on the Oak Class webpage and on Class Dojo. Children should complete one homework of choice from the list each week and should **post a document or photograph of the completed learning on Class Dojo** rather than bringing it back into school.

Links to various homework help pages are on the school website and include links to Times Table Rockstars and Spelling Frame.

REMINDERS

- **Wednesday 18th June to Friday 20th June** - Hothersall Lodge Residential Trip
- **Thursday 26th June AM** – UKS2 Sports Day
- **Tuesday 15th July 6pm** – Year 6 Leavers' Performance
- **Friday 18th July 6pm til 8pm** – Year 6 Leavers' Disco
- **Tuesday 22nd July AM** – Year 6 Leavers' Assembly

Enjoy your final term at The Roebuck School

Most secondary schools will be visiting your child in school during this term.

You should have received a letter inviting your child to attend a transition day at their allocated secondary school. Most Preston schools have the date of Thursday 3rd July; however, this may be different if your child is attending a South Ribble or Penwortham School. Please contact the high school directly for more information
