

Geography

This half term, we will learn about the counties and cities within the United Kingdom, using digital and paper maps to explore the Geography of the countries around us.

DT

In Design Technology we will be exploring food technology; looking at seasonal fruits and vegetables from around the world. We will improve our cutting and chopping skills before selecting our favourite vegetables to use in a summer salad.

Mathematics

In mathematics we will be moving onto shape looking at parallel and perpendicular lines which join to make angles, before looking at 2d and 3d shapes. Finally we will explore statistics and how to create and interpret different charts and graphs. The Year 4 multiplication check is fast approaching so there will be one final push on our times tables.

The Roebuck Primary School Curriculum Overview - Summer 2

Maple Class

If you have any questions or concerns, please do not hesitate to get in touch via class dojo and we will get back to you as soon as possible.

Miss Coley & Miss Patel

Literacy

In our Literacy lessons we will explore the Shakespeare drama: Romeo and Juliette. We will explore the text, focusing on vocabulary and a deeper understanding of the characters through discussion, role play and descriptions. We will end the unit by creating our own version of this classic story.

We will be continuing our new spelling scheme which the children have really embraced. Ask them all about their new techniques and games that have helped them learn their spelling patterns and rules.

Homework - Children can complete the tasks in any order and either place their books when they have completed a task or upload to Class Dojo.

Reading books need to be brought back in to school every day. Make sure you are *reading at home at least 3 times per week*.

Physical Development

This half term our PE sessions will focus on athletics skills. They will now take place on **Thursdays**. Full PE kits should be worn all day on this day. That includes the red PE t-shirt, black shorts and jogging bottoms, school jumper and pumps.

PSHE

In PSHE this half term we will be exploring current events and the news. As well as exploring our individual class's thrive targets.

Science

In Science we will be exploring how magnets work, looking at the poles and magnetic field. We will be using many of our enquiry skills such as classifying and sorting magnetic objects and pattern seeking investigations.
