

Music at The Roebuck School

What is Music?

"Music is a universal language that embodies one of the highest forms of creativity. A high-quality music education should engage and inspire pupils to develop a love of music and their talent as musicians, and so increase their self-confidence, creativity and sense of achievement." New curriculum 2014

At The Roebuck School we also believe that an education in music increases self-discipline, creativity and group identity.

What does Music look like at The Roebuck?

Music is taught through the Charanga Scheme in all year groups. Children listen to a variety of composers in assembly with accompanying information, to help their musical, historical and geographical knowledge.

"Singing lets me express my feelings with my friends"

Why Teach Music?

The aims of our music curriculum are as follows:

- To develop understanding and appreciation of a wide range of different types of music influenced by time and place.
- To acquire the knowledge and skills needed to make music
- To develop skills and attitudes that can support learning across the skills, concentration, confidence, sensitivity and creativity,
- To provide opportunities to perform, compose and appraise,
- To learn about how music is produced for example through the use of instruments and notation

What events occur at The Roebuck School ?

The choir are taking part in Sing Together project from Blackburn Cathedral and are singing at King George's Hall in Blackburn in March

All Ks1 Children perform in the Christmas Production

Year 6 perform a musical in the Summer term.

All children sing in songs in assembly.
